Product Information—

Cross Contamination– Every effort is made to avoid cross contamination: however since gluten is present in our kitchen, we cannot guarantee that your pizza is 100% gluten free

- Deiorio's gluten free shells are 100% gluten free and made in a gluten free environment.
- The shells are made of Rice flour. Ask a Maria's employee for the list of Ingredients
- The regular wheat shells sold at Maria's are made offsite which lessen any chance of flour in the air. No pure flour is used in the Maria's kitchen
- Maria's uses dedicated pizza cutters and pizza paddle while preparing the pizza
- Parchment paper or foil is placed between the pizza and the prep station to prevent cross-contamination
- Other menu items not advertized as Gluten Free may not be made with the same gluten free cross contamination precautions.
